

Assisted Living

Experience living in comfort at our assisted living community and let us do the work. Come find companionship, make new friends, join in a discussion group or participate in some arts & crafts. Enjoy deliciously prepared meals, all in a comfortable home-like setting. Our loving staff is always here to help you in any way.

What is Assisted Living?

Assisted Living or Residential Care provides a special combination of residential housing, personalized support services and health care. With 3 levels of care offered at Greenridge Senior Care, seniors may remain as independent as they wish.

Assisted Living is ideal for:

- Seniors who wish to remain as independent as possible, yet require help with the activities of daily living. The focus here is mainly on independence and privacy.
- Seniors who do not require extensive skilled medical help provided in a nursing home.

Some of the Amenities at our Assisted Living facility include:

- Personal Care: assistance with bathing, dressing, grooming, dining, toileting.
- Minor medical supervision (assistance with medications)
- Daily housekeeping services
- 24-hour emergency call system
- Personal laundry & linen services
- Physical therapy and fitness room
- Recreation room and library
- Hair salon and manicurist
- Transportation to doctor visits or for shopping
- Full activity program including trips to parks and local attractions

- Wander Guard Security System on exit doors for the safety of all residents
