Dear Extended Family,

Thank you for all the help, hard work and love you showed not only to our mother, but to us also! Some of you were able to meet our Dad. If he were here today, he would also express his gratitude and thank you for the loving care you showed him and mom.

We'd like to thank all of you for your care and kindness with our dad Jack. In such a short time we felt like part of your big family here. Dad has been so happy here. Thanks again for making him feel so special and loved.
